

Build YOUR OWN COSMIC Girl

INSTRUCTIONS

Carefully cut out the model. Scoring the folds makes the plane easier to fold. Complete folds on both sides from steps 4 to 7.

STEP 1

Score the fold lines.

STEP 2

Fold the model in half, keeping the graphics on the inside.

STEP 3

Fold the tail section in.

STEP 4

Fold down the wing flap.

STEP 5

Fold under at bottom crease.

STEP 6

Fold down the wing(s).

STEP 7

Fold up at the crease to complete the wing(s).

TIP:

Add a small paper clip to the nose.

TAKE CARE:

Do not throw the plane in the direction of people, animals or fragile objects!
